I've been on the road for over 50 years and feel blessed that I've been able to make this incredible musical journey, often accompanied by a wonderful extended family of music makers. I've been fortunate enough that many of my favorite muso friends have joined me for my annual Birthday Bash concerts over the years. The 75 Birthday Bash was no exception – we had some incredible nights full of musical celebration.

Making music together is a wonderful thing – good for the body and soul. We would like to share that special spirit with you.

Enjoy the 75 Birthday Bash, Hans Theessink
